

Using Zoom.

To join your online sessions with Beatrice Nicholas simply click the Zoom link sent to you by scheduling@acuityscheduling.com, you will then be prompted to download the Zoom App. It is recommended that you download the Zoom App before your session, you can do so at the [Zoom Download Center](#)

You may also [join a test meeting](#) to familiarize yourself with Zoom before your session. To participate in a Zoom session you will need a webcam and microphone. This can be inbuilt to your computer / device or plugged in. Using headphones in a Zoom Room is highly recommended as it reduces background noise.
